01 WE ARE INVENTORS

Ingenuity is in our DNA. Every Secrid product is improved and rigorously tested in our in-house lab, leading to six patents for innovative features that ensure longevity and effortless use.

02 WE DESIGN TO LAST

Our wallets are built to last, with every material, component, and production machine chosen for quality. Each design is engineered for durability and thoroughly tested.

03 RESPONSIBILITY

Secrid wallets are made in the Netherlands, in collaboration with sheltered workshops. Our Impact Fund donates 1% of revenue for 'Design for Impact', supporting talented designers who solve global issues with their creativity.

Sustainable at every step.
 What makes our Secrid wallets truly special is more than just design and technology. It's the way they are made.

04 WE COMPENSATE OUR CO₂

We measure, reduce, and offset our footprint in collaboration with FairClimateFund. Since launching the first Cardprotector in 2009, we've compensated our CO₂ emissions.

05 WE OFFER 3-YEAR WARRANTY & EXCELLENT SERVICE

We believe in our products and in repairing rather than replacing. Every Secrid wallet has a 3-year warranty upon registration. We provide fast and personal customer service and have 1,500+ repair points worldwide.

06 WE USE EUROPEAN LEATHER

Our leather is produced in European tanneries ensuring the best working conditions and standards for clean processes. We use leather because it's a natural material, incomparably durable and strong.
